BUILD TIPS

Always start with a corner

Use braces to strengthen corners

Use side walls to strengthen long walls

GET INSPIRED

Download step-by-step creations to build at www.makeafort.fun or design your own creation

USAGE

Keep away from things that get hot

Never sit on, climb on, or jump on

Never enclose a person or animal

Avoid getting wet

Easier to build on a rug or carpet

Straighten bent panels to reuse

Experience marks on connectors are normal

Color back of panels with crayons, markers, or non-toxic paint
